Dan Lucas understands the importance of strengthening our economy and creating more family wage jobs. Oregon has the highest state government spending in the region. As State Representative, Dan will oppose job-killing taxes, fees and policies that are hurting Oregon's economy.

**PROTECT SCHOOL FUNDING**

Dan Lucas is the proud father of three children who all attended Beaverton schools; one of whom is a local teacher today. Dan believes it's unacceptable that the Legislature took money from schools and gave it to their pet projects, forcing school districts to cut their budgets. As State Representative, Dan will make Oregon's kids the highest priority in the state budget.

**AFFORDABLE HEALTH CARE FOR FAMILIES AND SMALL BUSINESSES**

In the national media, Dan Lucas has been a vocal opponent of the federal takeover of our health care system. As State Representative, Dan will work to pass free-market solutions and incentives that will expand access and make health coverage more affordable to families and uninsured Oregonians.

*"As an outstanding researcher and policy advocate, Dan has been a tenacious defender of Oregon taxpayers."*
